Notes:

- 1 When you enroll in an attained-age plan, your rates will increase as you age, due to your age. Your rates will only increase due to age when you move from one age band to the next. In addition, rate adjustments will also be due to medical inflation or overall claims experience. Rates are subject to change June 1 of each year and are guaranteed for 12 months from that date. Any change in your rate will be preceded by a 30-day notice.
- 2 Plan A Medicare Supplement is for individuals who are on Medicare due to disability.
- 3 Plan G also has an option called a high-deductible Plan G. This high-deductible plan pays the same benefits as Plan G after one has paid a calendar year \$2,300 deductible. Benefits from high-deductible Plan G will not begin until out-of-pocket expenses exceed \$2,300. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

Blue Medicare Supplement™ Attained-Age Plans

Blue Cross and Blue Shield of North Carolina (Blue Cross NC) offers Medicare supplement plans with attained-age rates.

When you enroll in an attained-age plan, your rates will increase as you age, due to your age. Our rates will only increase due to age when you move from one age band to the next. In addition, rate adjustments will also be due to medical inflation or overall claims experience. **Note:** Rates are subject to change June 1 of each year and are guaranteed to remain the same for 12 months from that date. Any change in your rate will be preceded by a 30-day notice. Medicare policies that are attained-age rated should be compared to entry-age rated policies (also known as issue-age rated policies). Premiums for entry-age policies do not increase due to age as the insured ages.

Example of individual rate changes in Attained-Age Plans

The chart below illustrates attained-age rate changes due to age and claims trend over a 15-year period.

The federal government has asked us to provide this outline of coverage **to help you decide** which plan best fits your **needs** and meets your budget.

Right to return policy

If you find that you are not satisfied with your policy, you may return it to Blue Cross NC, Attention: Blue Medicare SupplementSM Enrollment, PO Box 17168, Winston-Salem, NC 27116.

If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Limitations and exclusions

Blue Cross NC does not provide benefits for services, supplies or charges that are:

- Not a Medicare-eligible expense under the Medicare program, unless otherwise noted;
- For treatment of a pre-existing condition before a required waiting period ends; or
- Payable under Medicare.

Please note regarding waiting periods for pre-existing conditions:

Pre-existing conditions are conditions for which medical advice was given or treatment was recommended by or received from a doctor within six months of the effective date of coverage. Coverage for such conditions may be subject to a six-month waiting period after the effective date of coverage.

The six-month waiting period will be reduced by the amount of time you have been enrolled under other health insurance coverage so long as the coverage terminated no more than 63 days prior to your date of application. The six-month waiting period will not apply and your policy is guaranteed issue regardless of health status if you fit into one of the following categories and you applied for this policy within 63 days of terminating your old coverage (if applicable):

- If you have six months of prior health coverage.
- If, after becoming eligible for Medicare Part A at age 65, you first choose to enroll in a Medicare Advantage plan and disenroll within 12 months you may choose any Medicare supplement plan in your state;
- If, within 12 months of enrolling in your first Medicare Advantage plan, you may switch back to the same policy if the same insurance company still sells it. If your same plan isn't available, you may switch to Medicare Supplement Plan A, B, D, G, K or L that is sold in your state;
(Note: If you first enroll in a Medicare Advantage Plan at 65 and disenroll within 12 months, you may choose any Medicare supplement plan.)

Additionally, waiting periods will not apply (and our policy is guaranteed issue) if:

- Your employer's Medicare supplement plan ended;
- You disenroll from a Medicare Advantage Plan or other similar state or federal Medicare program because: your plan lost its federal certification; you moved outside the plan's service area; or, you terminated the coverage because your previous issuer materially misrepresented the provisions of the plan when marketing it to you;
- Your previous Medicare supplement plan's issuer went bankrupt; or
- Your previous Medicare supplement plan's issuer materially misrepresented or substantially violated provisions of your coverage.

Your policy is guaranteed renewable

This policy is guaranteed renewable and may not be canceled or non-renewed for any reason other than your failure to pay premiums or misstatements in or omissions of information from your application. Any change in your rate will be preceded by a 30-day notice and is guaranteed for 12 months.
